### **DON'T MISS IT!!!**

Are you a worn-out mom by the time Sunday evening rolls around? Then leave the little munchkins at home with dad and join your neighbors for some fellowship on Sunday evenings beginning September 16th.

We'll be getting to know one another while studying Shaping the next generation; A biblical study on raising our children through the principles of The Bible. The fee is \$7.95 for the workbook.

The course lasts 7 weeks, but the principles last a lifetime. Call or email us to join. We'll see you in September!

### **A note from our webmaster**

Recently I have added a few new features to the website. At the top left of the homepage are links to local schools, weather & movies. Personally, I use them often. Wanna know when school starts, what the forecast is or what's playing at Movies 400?

I've also made available two new pages. One is where Gran Forest residents can list an item for sale or advertise a yard sale. The other is a list of Gran Forest service providers - intended primarily for kids; baby-sitters, pet-sitters, lawn mowers, etc, or anyone who is a resident who provides a service which may be of interest to their neighbors. **It's**

you'll find it [here](#).

**THANK YOU!!!**

Our thanks go out to Kim McKenzie and Bill Bieler for organizing tennis lessons on Wednesdays for the children in our neighborhood. Your efforts are truly appreciated!
