## NEIGHBORHOOD ANNOUNCEMENTS...

Gran Forest now has its own domain name and hosting site on the web, [www.granforest.com](http://www.granforest.com). Thanks to Bill Bieler for hosting us under his site all these years and helping with the transition to the new site. We are looking for anyone with web design experience to help maintain the new site. Please contact Don Graff (770.205.7616) if interested. The site is currently under construction, so please be patient and send in feedback for improvements!

Recruiting is still going on for starting a Gran Forest Bunco group. All ages are welcome! Call Deborah at 770/205-5812 to join in for food, fun and fellowship.

**Remember, the Gran Forest Directory deadline is February 15.** If you need a copy of the form, contact Barbara Hayes (770.205.8228) or submit it electronically from the Gran Forest Website.

To make an announcement in the newsletter, email [dongraff@granforest.com](mailto:dongraff@granforest.com)

**The Next Board Meeting** is March 5th, 7pm at the home of Joe Perniciaro (or the pool, if weather permits).

## Improvements

A second gate has been installed at the pool house for out-of-season security. This is to allow the restrooms to be used but provide additional safety regarding the pool. If entry to the pool area is needed, contact a Board Member. Also, the phone will be moved to provide access without having to get through the second gate.

## Architectural Control (ACC)

The ACC meets the first Monday of every month. Please submit your requests to Access Management at least one week in advance. Basically, any changes to the exterior of your home and yard should be submitted for approval (including cutting down trees). For the specifics, consult the Design Standards (found on the Gran Forest Website) and the CC&R's. These documents are used when processing your requests. If you consult them first, you may save yourself some aggravation. If you have no documents, contact a board member or the ACC.

## 'Community Cop' Corner

Please be reminded that Christmas lights should have been taken down by January 15<sup>th</sup>!

There are a lot of rotted mailboxes in the neighborhood... if it's falling over- replace it!

\$7,449 is past due to Gran Forest Swim and Tennis as of January 31, 2002.
