Pool Rules

Unruly persons using foul language will be asked to leave.

If a child is continuously engaging in dangerous or rowdy behavior, he/she may be asked to leave the pool and may only return with adult supervision.

Children 13 and older may be unattended in the pool area.

No smoking in the pool area by individuals under age of 18.

The gateway to the pool must be left closed at all times. This is to both protect families from children entering the pool area unattended, and non-residents from entering the pool area.

No glass of any kind. No hard, breakable plastics or hazardous materials allowed in the pool area.

Restrooms should be left in a clean manner.

All persons using the pool do so at their own risk.

Spitting, spouting of water, blowing the nose, etc. in the pool is prohibited for obvious health reasons.

No pets allowed in the pool area.

Persons with open sores or cuts are not permitted in the pool.

Persons with infectious or communicable diseases that can be transmitted in water are not permitted in the pool.

Floats and other objects can be required to be removed from the pool. During crowded times, it becomes hard for an adult to see, and small children become trapped under the rafts and flotation devices.

An adult's word will be final when enforcing pool rules.

If an individual does not follow the rules, they can be expelled from the pool.

After dark no one under the age of 18 is allowed in the pool area without the supervision of an adult Gran Forest homeowner. This rule is enforce-able by law.

Children who are not potty trained must wear a swim diaper. This is a health code.

**Thank you for following the rules of our pool.
Please discuss these rules with the children of
your household.**

NEIGHBORHOOD ANNOUNCEMENTS...

The **Easter Egg Hunt** was very successful... 26 children participated and their enthusiasm was contagious! Thanks to all who helped put this together and those who participated.

The Annual **Neighborhood Garage Sale** will be held Fri/Sat May 14th/15th. A separate flyer will also be delivered. Ads will be placed in local papers, as well as signs placed at both entrances. On the day of the event, those planning to participate should place signs at the end of their roads and/or balloons on their mailboxes!

The **pool is expected to open** Saturday, May 15th. Watch for signs indicating it is open and ready for use. Please remember, if the second gate is locked, the pool isn't safe to swim in- please don't climb the fence for access (not only is this dangerous, it damages the fence). Contact any Board member with pool issues.

The **Pool Opening Party** is typically held Memorial Day Weekend... volunteers are needed to help make this enjoyable, annual event happen! Please contact any Board member, or Cathy Morse (770-205-7616) to help out.

Wanted: Readers of all ages and walks of life! If you enjoy reading, learning about new things or meeting interesting people, consider being a part of the Book Club. This club is in the formation phase, I am trying to determine the level of interest in our neighborhood. We would all read the same book (fiction), and meet for discussion, reflection and good company. The day, time and format will be discussed with those that are interested, so we can find what works best for everyone. My goal is to create a lively, creative atmosphere, where everyone feels comfortable expressing their views. If interested, please email me at Signadeb@yahoo.com or call 770/205-5812... I look forward to hearing from you soon!

If you have **new neighbors** or are new to the neighborhood, please contact any Board member, and the Welcoming Committee will ensure a Welcome Basket is delivered!

The next Board meeting date is TBD, see the Website for details.
